Sri Channabasaveshwara Education Trust (R.)
Interface College of Computer Applications (ICCA), Davangere 577004
BCA V Semester, I Internals – R - Programming

Time: 1hr **Marks: 30**

I Answer any 6 questions **6 * 5 = 30**

1. Explain input and output statements available in R with example.
2. Write a short note on Special values.
3. Explain basic math Operations.
4. Write a short note on Vectors in R.
5. Define function. Explain different types of argument passing.
6. Briefly explain the built-in functions used to reading from and write data to external files.
7. Briefly explain Textual Progress Bars and Measuring Completion Time functions in R.
8. Write a short note on Exceptional Handling in R.
